

Dear Neighbor,

At the Y, we believe seniors can achieve amazing things with the right support. We see it all the time. Seniors who are healthy, happy, and motivated, are critical to successful and thriving communities. The support of strong communities like ours will help our seniors maintain a healthy lifestyle and provide the resources they need to thrive.

That's why the Waynesboro Area YMCA is hosting
Senior Wellness Day on Wednesday September 4th 8-11am.

Senior Wellness Day is a **free community event** to help seniors keep both physically and cognitively active throughout life. This is a great opportunity for your organization or business to support a worthy cause.

If you or someone from your organization is interested in joining us on the September 4th, please complete the attached registration form, by August 14th. Please feel free to reach out to me with any questions. Thank you for your consideration.

Sincerely,

Whitney Wolf
