

Dear Neighbor,

At the Y, we believe kids can achieve amazing things with the right support. We see it all the time. Children who are healthy, happy, and excited, are critical to successful and thriving communities. The world is counting on this generation of children to grow into creative and thoughtful problem-solvers and inspiring changemakers. To get there, they'll need the support of strong communities like ours.

That's why the Waynesboro Area YMCA is hosting
Healthy Kids Day® on Saturday, April 26th.

Healthy Kids Day is a **free community event** to help families thinking about ways to keep their kids both physically and cognitively active this summer. Healthy Kids Day is a great opportunity for your organization or business to support a worthy cause.

If you or someone from your organization is interested in joining us on the April 26th, please complete the attached registration form, by April 1st. Please feel free to reach out to me with any questions. Thank you for your consideration.

Sincerely,

Kathy Bostic
