

Dear Neighbor,

At the Y, we believe seniors can achieve amazing things with the right support. We see it all the time. Seniors who are healthy, happy, and motivated, are critical to successful and thriving communities. The support of strong communities like ours will help our seniors maintain a healthy lifestyle and provide the resources they need to thrive.

That's why the Waynesboro Area YMCA is hosting
Senior Spring Wellness Vendor Day on Wednesday April 2nd 9-11am

AND Spring Wellness Seminars April 9th 8am-12pm

Both are **free community events** to help seniors both physically and cognitively active throughout life. This is a great opportunity for your organization or business to support a worthy cause.

If you or someone from your organization is interested in joining either event or BOTH, please complete the attached registration form by March 19th. Please feel free to reach out to me with any questions. Thank you for your consideration.

Sincerely,

Whitney Wolf
